

Section 3 – External Auditor's Report and Certificate 2022/23

In respect of **BROADWAY PARISH COUNCIL – SO0036**

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2023; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

2 External auditor's limited assurance opinion 2022/23

On the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with *Proper Practices* and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Other matters not affecting our opinion which we draw to the attention of the authority:

In the prior year, the smaller authority was exempt from our review, thus we have not reviewed any evidence to support the prior year comparatives on the AGAR.

The smaller authority failed to approve the AGAR in time to publish it before 1 July 2023, the date required by the Accounts and Audit Regulations 2015, however disclosed this by answering 'No' to Section 1, Box 1.

We note that the smaller authority did not comply with Regulation 15 of the Accounts and Audit Regulations 2015 as it failed to make proper provision during the year 2023/24 for the exercise of public rights, since the approval date was after the start of the period for the exercise of public rights. As a result, the smaller authority must answer 'No' to Assertion 4 of the Annual Governance Statement for 2023/24 and ensure that it makes proper provision for the exercise of public rights during 2024/25.

We note that Section 1, Box 9 and Section 2, Box 11 (a) in respect of trust funds has been left blank, the smaller authority has confirmed that it does not act as sole managing trustee for trust funds, and thus the responses should have been 'N/A' and 'No' respectively. The smaller authority should ensure the AGAR is fully completed in future.

The Annual Internal Audit Report focuses on a series of internal control objectives covering an authority's key financial and accounting systems and concludes whether, in all significant respects, the internal control objectives were being achieved throughout the financial year to a standard adequate to meet the needs of the authority. We note that the internal auditor has not provided a conclusion on internal control objective K in respect of the eligibility for exemption in the prior year. The Annual Internal Audit Report will inform the authority's response to Assertions 2 and 6 in the annual governance statement. As a result, the authority must ensure that assurance that has not been provided via these control objectives has been sought elsewhere.

The smaller authority should ensure that it has regard to the level of reserves held when considering future precept requests.

3 External auditor certificate 2022/23

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2023.
